Personal Summary

I am the student enthusiastic about the technology, currently studying the Bachelor of Science in Computer Science and Information Technology (BSc.CSIT). Passionate about hacking and pentesting web application.

Skills

-
- **Programming:** Basic Java, C , ROR, C++ and python. And Im currently working on web app development with Django.
 - **Linux:** I love to tweak my linux environment so i have little knowledge about shell scripting (bash).

Interest

Game: Table Tennis, Football, etc

Linux: Tweaking Arch Linux is my passion. Changing fonts, tweaking window manager and how it looks. Currently I spend my little time tweaking i3wm.

Hacking : Hacking or pentesting is my passion. I want to be a great web security researcher.
